

Why, the selection of Leadens Building Maintenance, Inc. for all your janitorial and cleaning services is a “smart” business decision?

Simply put, our ability to innovate, adapt and use only the best cleaning agents, technology and equipment in the industry assures you a clean, safe and healthy workplace.

Below is a list of the Green & Eco-Friendly Cleaning Agents and Supplies that we currently use in our customer facilities. Starting in 2013, Leadens Building Maintenance would like to inform all of our current & potential customers that PureGreen24 will become our standard disinfectant at all our facilities. Our cleaning process involves the unique combination of Standard and Eco-Friendly Cleaning Technology and Equipment. Please feel free to share this information with your colleagues and employees.

PureGreen24 Information Website: [Click Here>](#)
